

James River Green Building Council-Charlottesville Branch Governing Council Nomination Form

JRGBC Mission

As a Branch of the James River Green Building Council, the JRGBC-CV Branch is a coalition of leaders from across the building industry working to promote buildings that are environmentally responsible, profitable and healthy places to live and work. The JRGBC is leading a regional consensus for producing a new generation of buildings that deliver high performance inside and out.

The JRGBC is accomplishing this by promoting LEED® products and resources through policy and educational and marketing tools that support the adoption of sustainable building. The Chapter and its Charlottesville Branch fosters strategic alliances with key industry and research organizations and state and local government agencies to transform the built environment.

Together, the JRGBC and JRGBC-CV represent the industry on environmental building matters in the Central Virginia region. Collectively, these organizations can effect change in the way buildings are designed, built and maintained.

JRGBC-CV Branch Governing Council Position

Nominations for positions on the JRGBC-CV Branch Governing Council are now being accepted. Nominees should be committed to the JRGBC Mission stated above and able to attend monthly Branch Governing Council meetings and JRGBC-CV events, as well as be involved in at least one committee. All applications will be reviewed by the JRGBC-CV Nominating Committee and all nominees will be contacted. You may nominate someone whom you think meets the qualifications that the JRGBC-CV is looking for, or you may nominate yourself. The current JRGBC-CV Branch Governing Council is specifically seeking individuals who are in: Local and State Governments, Contractors, Product Manufacturers and Preservation/Environmental Law. However, we welcome nominations from other sustainable fields of work.
